

THANK YOU MENTORS!

ULI Nashville has recently begun the fourth year of its successful member-only Mentor Program. The program is structured as a one-on-one Mentor/Mentee experience and was developed by our Young Leader Mentor Committee based on local priorities and goals, as well as successful examples of other ULI Mentor programs. This program is a meaningful asset to our District Council and its members, helping shape future industry leaders and bringing value to our Mentors, as well!
